Hi Marion,

I emailed Allison Dennis last Friday to ask her the timing, but I have not yet gotten a response. We have a meeting this morning at 9:35, and I will hopefully find out those details. Will let you know as soon as I do.

Dian

Dian,

We're circling back to find out our "drop dead" timeframe (see prior email below), where you'll need to have everything ready for aldicarb in anticipation of the Administrator's announcement and the agency's press releases, etc. Are you and your colleagues aiming at any specific timing today to have everything completed? Thank you in advance. . .

Best regards,

Marion

Diane – Happy Friday! We wanted to check in and ask if there's a specific time slot (e.g., exact hour, "tick-tock", etc.) scheduled for the public announcement/press release of the aldicarb decision? We're trying to ensure that our final regulatory decision and associated documents align with the public pronouncement. Call me if you prefer: 571-262-1224 (wk cell). Many thanks!
